Remarks Of National President

Once again, we've come a long way, baby!! And those famous words have indeed come to fruition in Southern Dames of America since 1963. Think of the extraordinary financial contributions to eye health and ophthalmic research and the joy in studying and teaching Southern culture among members and guests with only two missions. And let us rejoice in the significant increase in interest in our wonderful society. What a special time to be elected to serve as your National President at our 56th National Assembly in Athens, GA. Thank you for the honor of serving Southern Dames of America once again.

When this officer started this journey, some twenty plus years ago, Georgia had one state society (now 6 chapters & 1 on the way). Alabama, California, Illinois, New York, New Jersey, and Virginia were but hopes and dreams, and by golly, those dreams have come true and most state societies have organized numerous chapters. Our Southern Dames have come out with hard work and lots of fun. Let's keep up the good work!

Gabrielle Smith Hadyka, our Past National President, is to be commended on her fine term serving as National President including all of her many accomplishments. She will become a fine Past National President! And let us remember our hard working and harmonious 2016-2018 National Officers and National Committee Chairmen. What a pleasure it has been to serve with those fine Dames!

Much appreciation is shown to our 2018 Nominating Committee, Mary Ann Hepler, Chairman, Catherine Brister, and Patricia Gallagher, for selecting such an outstanding group of National Officers. I am confident the 2018-2020 Officers will be as outstanding as the 2016-2018 Officers.

A gentle reminder to all members to refer to *The Journal* for current order forms for Insignia, charms, and tote bags. Also, State Presidents, please be aware that there is **one** Reporting Form for all reports to be submitted (preferably email) to **all** National Officers by April 25th, 2019 (Read that again). Thank you for complying with this hard deadline. This is quite necessary if you wish to win awards, showcase all the wonderful things your state society has accomplished and share ideas.

Southern Dames of America is indeed fortunate to have an excellent webmaster who submits our information in a timely and attractive manner. Please refer to our website: www.southerndamesofamerica.com/ or Google southerndamesofamerica. To access *Members Only* area: Password: Blossom.

Our projects are very important to us. First, we have Ivy Green, home of Helen Keller, located in Tuscumbia, Alabama. We are successful due to efforts

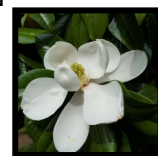

of Connie Grund, Chairman, in refurbishing the gazebo with surrounding gardens (including sprinkler system), and rededication of the SDA marker, and what great fun all those activities were. Since it seems to be hard to keep up with new members, my greatest focus is on membership and chapter growth. Our folks are learning just how much fun SDA can be at every meeting and how relaxed our group is. This Officer is working on a "Tip Sheet" to help organizing chapters answer some of their questions. State Presidents, watch for it soon.

Please mark your 2019 calendars and save the date June 6-8, 2019, for our "keane" 57th National Assembly to be held in Lexington, Kentucky, at the Clarion Hotel. Jessieanne Wells, Chairman, and her Co-Chairman, Julia Hood, promise "photo finishes" at all meetings. The winners are encouraged to make "whinny" sounds if any additional great ideas should "crop up" between now and then. Fine weather is promised, and a good time will be had by all. y'all come!

In Southern Bonds,

Camille Redfern Lowery

National President 2018-2020

Please include an obituary if available. State Chaplains; please insure this officer has received notice of all deaths in your state this past year and this year so no one will be overlooked.

In Southern bonds,

Bonnell Wheeler Lashley blashley@bellsouth.net

After Glow

*I'd like the memory of me
to be a happy one.*

*I'd like to leave an afterglow
Of smiles when life is done.*

*I'd like to leave an echo
Whispering softly down the ways,
Of happy times and laughing times
And bright and summer days.*

*I'd like the tears of those who
Grieve, to dry before the sun,
Of happy memories that I leave
When my life is done.*

56TH NATIONAL ASSEMBLY

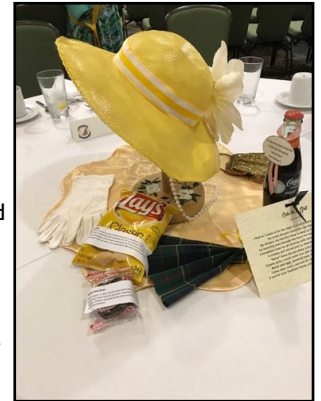

If you missed the National Society Southern Dames of America 56th National Assembly May 31 through June 2, 2018 in Athens, Georgia, you missed a wonderful time. Robin Towns, National Assembly Chair, and her team, did an amazing job. Georgia had a very impressive number (36) of attendees and most everyone helped make the Assembly a success.

Thursday, May 31st, we toured the historic William Harris Homestead, an award-winning Georgia landmark. It is listed on the National Register of Historical Places. The Homestead features an 1825 log house and out buildings, lush gardens, and stunning landscapes. The tour was followed by a delicious Southern Comfort Food Supper under the event pavilion.

Friday, June 1st, those not attending morning meetings were entertained with a private tour of the historic Church-Waddel-Brumby House. Everyone had a wonderful time!

The Georgia Luncheon was beautiful. The table decorations were hats, pearls, and, of course, gloves. The favors were a Peach Coke, Lays potato chips, tartan fabric, poem about grits and a Ding Dong. The speaker, Millie Coleman, entertained us with "Secrets of Southern Culture".

After lunch, we attended a very moving Memorial Service. The National Board of Management was held in the afternoon and lasted only one hour (very efficient and productive meeting)!

Everyone enjoyed the Georgia Society Reception before dinner. The tables for dinner were beyond lovely! Each place setting was a Georgia Souvenir plate on a gold charger. The centerpieces were a magnolia floating in water surrounded by magnolia leaves. The favors were a small magnolia plate, a souvenir stamp, and a bag of peach jelly beans. After a delicious dinner, we enjoyed a presentation by Jean Burge Channell on "Georgia's Own Moina Michael, The Poppy Lady".

Saturday, June 2nd, we all attended meetings in the morning. The National President was so efficient, we were finished that morning! We got all the reports finished and the business of the Society completed in half a day including the election of our new officers.

The "Under the Sea" Eye Luncheon was again delicious, and decorations were so cute. The centerpiece was a glass fish with glasses in a fish bowl and the napkin was folded in the shape of a fish. The favors were a beautiful, handmade SDA case, plastic sea theme glass and bag of goodies. The speaker was John R. Corneille, JD from Foundation Fighting Blindness. He was so well received that over \$1,000 was collected from our members attending to donate to this Foundation.

After the luncheon, we rested and visited with each other. There was another lovely reception before dinner. The "Coastal Enchantment" Creative Arts & Awards Banquet was spectacular! The favors were a pearl and lapis or pearl and turquoise bracket and a bag of pecans. The program was "A Little Water Music" by pianist/vocalist, Cynthia Gentry Brooks.

The new officers were installed and we all held hands and sang together "Blest Be the Tie That Binds". All in all, an wonderful time.

Hope to see ya'll there.

Alabama Society Deborah W. Hicks State President 2016-2018

At our meeting April 26, Carol Kitchens gave the program "Margaret Reynolds Was a Tough Lady" about her ancestral family going down the Ohio River on a flatboat in 1780, being captured by Native Americans, being carried to Ft. Detroit, her 13 children being disbursed amongst various tribes, and then the Mother, Margaret Reynolds, regathering all her children and returning to MD 3 years later.

On March 31, a wreath on behalf of AL Southern Dames at a memorial marking at Shorter Cemetery in Eufaula, AL, and we also presented the wreath at the SAR grave marking of Private Head in Louisville, AL, on October 21, 2017.

We will be starting a new Southeast Alabama Chapter and have been collecting applications, which will have been sent in during August, and hopefully processed by the time of publication of this article!

It has been an honor to serve in this administration. Thank you to Past National President, Gabrielle S. Hadyka, for her guidance during our terms; two great, well run national assemblies; and her contributions and presence at the rededication of the gazebo, historic marker, benches and landscaping at Ivy Green. I will always remember the trip to the Rattlesnake Saloon with "Miss Daisy," a/k/a "Gaby", and Lucy Willis.

New State Officers for 2018-2020 were elected at the Annual Meeting and "English Tea" at the Irvine Marriott Hotel in March. Following the business meeting and tea Dr. Alex Huang from the Doheny Eye Institute presented a program on research programs and medical advances which the Institute is pursuing in California and across the world. The State Society has selected the Doheny Eye Institute as its State Eye Project designee during the Adams-O'Neill Administration.

Members from all of the California Chapters attended the State meeting. As a young Society in California the Society is gaining strength in membership each year. Currently there are five California Chapters representing the state from North to South: "Azalea" in Greater San Francisco and further north; "City of Roses" in the Pasadena area; "Gardenia" in the Greater Los Angeles region; "Orange Blossom" in the San Gabriel Valley and "Poinsettia" in the San Diego area. Our members are working diligently to assist libraries and programs which aid members of the blind community and in support of the many guide dogs association which are raising and training guide dogs for military veterans.

Florida Society B. Davine Roberts, State President 2016-2018

The Florida Society members who attended the 56th National Assembly in Athens, GA, had a wonderful time! Every year I think our annual Assembly keeps getting better and better. The Georgia members did a fantastic job planning and executing a most enjoyable Assembly! Two of us brought along our husbands and they had a good time, too!

Florida took home 15 awards of which 5 were first place awards. Our proudest awards were for having the most new members. As Florida State President, my focus was on membership, and we want to keep the momentum going. Pictured left to right are: Pensacola Chapter Registrar Mary Ellen Shugart, National Treasurer Virginia Fettes. Florida Vice President Wilma Scofield, National Second Vice President Davine Roberts, and Florida State President Maria Miller.

Georgia Society Dianne Cannestra, President 2018-2020

The new Tara Trace chartering meeting was held April 28, 2018 in Jonesboro, Georgia. Guests included State President, Dianne Cannestra, State Recording Secretary, Peggy Gates, State Treasurer, Sandra Salmon, State Registrar, Julie Hawk, State Historian Ann Bridges, State Parliamentarian and National First Vice President, Camille Lowery, Past State President, Pat Gallagher and Past National President, Robin Towns. The State and National Societies were well represented. Organizing Chapter President, Linda Robinson did an outstanding job presiding over the meeting. The Charter was presented by Past State President, Pat Gallagher and all charter members signed it. The table decorations were beautiful. All State and National Officers were presented with a beautiful handkerchief embroidered with "Southern Dames". The ceremony was followed by sumptuous refreshments. The Tara Trace Chapter is off and running!

The Organizing Chapter President of the newly named, Historic Heartland Chapter in middle Georgia, Janet Walker, created a Georgia Society Facebook page. This will help build a sense of community in the Georgia Society and keep us all better informed. Seventy-one members have already joined the page.

As of August 20, 2018, The Georgia Society has 194 members. It is this officers honor to serve these members and the National Society.

Illinois Society Linda Mizell, President 2018-2020

In May, the Illinois State Society SDA held their third annual meeting at the Mary Bryant Home for the Blind in Springfield, Illinois. We toured the home and learned about this wonderful resource for residents of Illinois and surrounding states. Our "tour guide" was Misty Smith, Director of Community Outreach for the Home.

Mary Bryant was a student at the Jacksonville school for the blind and stayed on there as a housemother. She saved her earnings for twenty years to fulfill her dream of opening a home for the blind. The Mary Bryant home was opened in 1946 and has been expanded over the years. It is a supportive living facility for blind adults. Married couples may live there if at least one is blind. There is nursing staff on duty 24/7 that primarily provides medication oversight and assistance with personal hygiene as needed. There is housekeeping and laundry services as well as a cafeteria that provides 3 meals a day, although residents may choose to dine out or cook in their studio apartments. There are a variety of activities that residents may choose to participate in, and they are very proud of their Special Olympics team that competed at the state level in running, wheelchair races and softball throws. There are currently 35 residents at the home. The oldest is 97 and one has lived there for 53 years. While we were there, it was obvious that this is a family community. After our tour we were entertained by their chorus. We then presented them with a check from ILSDA toward their activity fund. It felt good to contribute to this worthwhile program.

This President enjoys working with her Southern Dames members and is looking forward to another year.

Kentucky Society Jessianne H. Wells, State President 2017-2019

The Kentucky Society is pleased to have the opportunity to host the 57th National Assembly in Lexington, Kentucky June 6-8, 2019. The Kentucky Journal is e-mailed to members at least twice per year in an effort to keep our members informed. Our next joint meeting will be held at Spindletop Hall, Lexington, KY October 16, with Dames of the Court of Honor hosting. Kentucky's 2017-2019 administration is working toward gaining many new members to further the work of the society. Trying to take a "first time" selfie was a challenge as the registrar worked on new applications. Picture: Jessianne Wells, President; Beverly Hicklin, Registrar.

Maryland Society

Ericka Lanceskes, State President 2018-2020

The National Society Southern Dames of America Maryland Society, voted a new slate of officers in 2017 with Laura Erika Lanceskes as the new State President. Currently, we number 72 members including one new member and one transferring in. The Maryland State Society collected and donated 18 eyeglasses and donated \$180.00 to the Wilmer Eye Center at Johns Hopkins, Baltimore for ophthalmic research. An eye program on the Maryland Seeing Eye Dog program was given in the May 2017-May 2018 timeframe.

Mississippi Society Mary Willard, State President 2017-2019

It was a great honor to attend as President of the Mississippi Society of Southern Dames, the National Assembly held in Athens, GA. The Dames of Georgia spared nothing in putting together the meeting. The programs, door prizes, delicious food, table decorations, floral arrangements, and the gifts at each plate were delightful. Much appreciation and gratitude to all who worked to make the meeting such a success.

The Mississippi Dames will have their fall meeting at the Jackson Country Club on Saturday, September 29, 2018. Special guest speaker will be Rosie Gibson, Executive Director of the Addie McBryde Rehabilitation Center for the Blind. New officers will be elected and installed.

The Southern Heritage Series of each southern state will continue with information about Virginia and South Carolina given by Billie Breedlove and Sally Campbell. The meeting will be followed by lunch prepared by the staff. The new officers will begin their tenure in January.

I have considered it a great privilege and outstanding honor to have served as President of the Mississippi Society of Southern Dames of America. Most of all, I am so happy to have made many new friends around the South.

North Carolina Society Charlotte P. Kelly, State President, 2018-2020

The North Carolina Society is proud to announce we had representation from each chapter attending the National Society Southern Dames of America's 56th National Assembly held in Athens, GA.

We were so proud to have three members representing North Carolina on the National Board NSSDA; Brenda Hamilton, National Chaplain, Bobbie Lou Ray, National Registrar and Mary Ann Hepler, National Historian.

Our chapters and members brought home 14 awards for their hard work and talents. We were so proud of the members, chapters, and North Carolina as a whole making our "Hearts Burst with Southern Pride."

Chapters have been electing new officers for the 2018-2020 term and planning exciting programs. Returning from the National Assembly the first program will include information and pictures from the Assembly.

Tennessee Society Betty Stevens, State President, 2018-2020

Tennessee was honored to receive the Hero Award from the National President at the National Assembly for their \$1,000 donation to the Helen Keller Fund. What an honor for supporting such a worthy cause.

New York Society Melissa Zack, President 2016-2018

The New York Society has been quite active this year. We represented Southern Dames at the George Washington Birthday Ball in the Metropolitan Club this past February. In April, we had our annual meeting, at which we unveiled our new banner and installed the 2018-2020 board. After that, our president attended the National Assembly in Georgia, and was thrilled to win a beautiful hat in the silent auction. Following National Assembly, we marched in front of World War I re-enactors in the Flag Day Parade in New York City, proudly displaying our new banner. Our Southern Culture meeting this coming October will be held at Chez Josephine on West 42nd Street in Manhattan. We'll have a report on the state of Texas and collect eyeglasses as well as money for a donation to Seeing Eye Dogs. We are planning another meeting to discuss Reese Witherspoon's new book, *Whiskey in a Teacup*, based on things she learned from her southern grandmother, who believed that southern women were strong on the inside and delicate on the outside; hence the name of her book. All members of Southern Dames are more than welcome to attend any of our meetings.

South Carolina Society Tammy F. Herron, State President 2018-2020

The South Carolina Society held its spring meeting at Ashtabula Plantation. Members enjoyed an informative tour of two structures on the plantation: a two-story brick structure constructed prior to 1790 and the two-story clapboard main house built circa 1825-1828. The brick structure originally served as a traveler's tavern and was constructed on 320 acres of land granted to Samuel Lofton. In later years, the structure served as a kitchen and was connected to the main house by a breezeway. The property changed hands a number of times throughout history and was owned by prominent South Carolina families such as Gibbes, Pelzer, and Adger. James T. Latta purchased the property in 1851 and enlarged the farm to 1200 acres. In 1961, the Mead Corporation gifted the home and 10 acres of land to the Pendleton Historic Foundation.

Following the tour, it was an honor to hold a portion of our business meeting on the grounds of the plantation. President Jeannette Taylor reconvened the meeting at 1826 Bistro on the Green in downtown Pendleton where we enjoyed a wonderful luncheon. The following officers were elected to serve 2018-2020 term: President, Tammy Herron; First Vice, Judy McAlhany; Second Vice, Mary Armstrong; Chaplain, Sarah Jane Armstrong; Recording Secretary, Rooche Field; Treasurer, Julie Hardaway; Registrar, Marion Whitehurst; and Historian, Dianne Culbertson. Registrar Wanda Eubanks processed two new applications, and the Society has one prospective member. We are pleased to provide support to the following programs: Carolina Eye Care Research Institute; Service Dog Institute; SC Commission for the Blind; and Miracles in Sight. Four members attended the 56th National Assembly in Athens, Georgia. We enjoyed the fellowship and learning about the work of others in the organization. We were especially proud when South Carolina member Jeannette Taylor was elected to serve as National Recording Secretary. This officer is honored to serve as President of the South Carolina Society, and looks forward to working with our members to increase membership and to fulfill the purposes of the SDA.

Texas Society Jane Power, State President 2018-2020

Our State meeting took place in New Braunfels, Texas on April 28, at McAdoo's Restaurant. It is my sincere pleasure to serve the Texas Society as its newly installed State President. We have a great group of members serving in our State Offices: Karen Hall, Jackie Mueller, Debra Hamman, Colleen Petosa, Martha Bender, Carolyn Jamail and Pat Spackey. All three of our Chapters had representation. The work of the Society was reported and continues with our members. We were pleased to have Texas member, and then President National, Gaby Hadyka, present for the proceedings and to bring greetings.

The new State Board is already hard at work. All State Chairmanships have been filled with not only Chairmen, but also members! What a great bunch of ladies! We are moving forward with the formation of a new Chapter in the Central Texas area around Waco.

Four Texas Dames attended the National Assembly in Athens, Georgia at the end of May: Gabrielle Hadyka, Jane Power, Colleen Petosa and Karen Hall.

We are proud of the many awards won by our state at the National Assembly.

Plans are being made for an electronic statewide meeting in September to focus on eye research referencing the "Under the SEE" National Assembly Eye Luncheon speaker, John R. Corneille, JD from the Foundation Fighting Blindness. His remarks were informative and moving, as he was diagnosed at a young age with a degenerative sight issue, managed to have a "normal" childhood, became a lawyer, and now works for the Foundation raising awareness and funding. We will report the reaction, participation and, hopefully, appreciation of being able to meet "in your jammies."

Virginia Society Trudy Tanzillo, State President 2018-2021

Virginia Society met at the Historic Hanover Tavern, in Hanover, VA, on February 18th. Peggy Marshall presented an interesting program on the Scotch Irish settlement of Virginia and shared with us her unique collection of Scottish Celtic vintage pins and tams. The following slate of officers was installed for the 2018-2021 term: Trudy Tanzillo, President; Donna Hall 1st Vice; Melanie Platte, 2nd Vice; Luvenia Rogers, Chaplain; Lisa Sullivan, Recording Secretary; Kathy Thomasson, Corresponding Secretary; Cynthia Matsumoto, Treasurer; Anne Winn, Registrar; Barbara Rooney and Pamela Meiring, Historians.
