PREFACE

The notion to compile a 50-year history of the National Society Southern Dames of America came during the 2008-2010 term of National President Mrs. James O. Shearer (Nelly G.). This Dame was invited into the Executive Board Meeting to report on the condition of SDA archival material at the Atlanta History Center, having been assigned that task previously. The report was surprisingly excellent because our materials were found to be housed in acid-free file folders and boxes, and in as perfect order as was possible in organizing miscellaneous bits and pieces of old information. To be noted is that the materials are housed in a climate-controlled vault and have to be ordered ahead of time. Once the researcher receives the materials, the staff watches closely, and the researcher is allowed to touch only one page at a time, meaning that our materials are safe and secure. Once this glowingly happy report was given, the National President remarked that we needed to have a history compiled, and almost in unison, twelve pairs of eyes looked at this Dame. By magic, this Dame was appointed and on the way to compiling the 50-year history of our society because, after all, this Dame lived the closest to the Atlanta History Center (called Atlanta Historical Society Library prior to 1990).

The descriptions and terms used by this compiler were exactly those descriptions and terms used in the Assembly minutes, *Journals*, and Assembly programs found at the Atlanta History Center and in the materials sent to this compiler by Past National Presidents Nelly Shearer and Carolee McKinstry. My sincere thanks are extended to Nelly and Carolee for those materials which saved a lot of time and gasoline used in the 70-mile round trip to the Atlanta History Center. Nelly and Carolee's materials have been catalogued in excellent order and presented to the Atlanta History Center (April, 2013).

It should be noted that those years where the information seems lacking, it is because of the absence of Assembly minutes, *Journals*, and/or programs for that particular Assembly year.

This compiler set out to organize and present historical materials rather than creating a narrative. She gathered the facts found in society materials in chronological order without becoming overly descriptive and verbose and wading into fiction. There are dry parts and there are amusing parts.

It has been my honor and pleasure to compile this history. It was a labor of love and a time of enlightenment for this Dame. This Society history was presented for the first time at the 51st National Assembly in Gonzales, Texas, and is available on our SDA web site (nssda.org). Please enjoy National Society Southern Dames of America: The First Fifty Years 1962 ~ 2012.

ACKNOWLEDGMENT

The Executive Board and members of the National Society Southern Dames of America would like to thank the staff of the Atlanta History Center for being wonderful custodians of our precious archival materials since 1982 when the Doris Walker Lyle Library was transferred to the Atlanta Historical Society Library. Your diligent care and preservation of our records greatly facilitated the compiling and completion of National Society Southern Dames of America: The First Fifty Years 1962-2012.

We were absolutely delighted to find that our materials are housed in acid-free archival folders and boxes which will preserve our records for many years to come. We were further delighted to observe first-hand that our records are secure under your watchful eye and will be available for many researchers in the future. We are pleased that our Doris Walker Lyle Library has grown to 166 books and will continue to grow. Most importantly, we are pleased that the original documents of incorporation and tax exemption are preserved and secure. With the 2013 presentation of additional materials, the Atlanta History Center will be the custodian of society records through 2012 ~ the first fifty years.

Thank you for your generous service to the National Society Southern Dames of America.

ORGANIZATION OF THE SOCIETY

Richmond, Virginia ~ November, 1962

The National Society Southern Dames of America was organized in Richmond, Virginia, November, 1962, by a group of ladies of Southern ancestry who realized the need for an organization which would bring other ladies of Southern ancestry together for the purpose of comparing interests and methods of work to become mutually helpful; encouraging ophthalmic research; studying political science and educational subjects through scholarships; supporting an eye program; and promoting benevolent, patriotic, educational and literary subjects, including the study of Southern history. The 1962 Hereditary Register of The United States of America lists the National Society Southern Dames of America. And thus began a rich and colorful history of service.

Officers selected were Mrs. Lee H. Lyle (Doris Walker) of Georgia, Organizing National President; Mrs. Allen D. O'Brien, Organizing National Secretary; and Mrs. R.B. Redwine of Alabama, Organizing National Treasurer. A date was set for the first Assembly. The Chartering Meeting was held in Clayton County, Georgia, February, 1963, with 150 members attending. The Chartering period was held open through June, 1963. By the Call to the Second Assembly in 1964, the list of chartering members numbered 324 in twenty-six states and the District of Columbia, more than doubling in one short year!

CHARTERING

Clayton County ~ April 3, 1963

The incorporators were Mrs. Olin S. Cofer, Mrs. J. Carl Hodges, Mrs. Lee H. Lyle, and Mrs. Hiram E. Mozley. The Secretary of State, State of Georgia, certified the Charter which was drawn up by Hodges & Oliver, Attorneys for the petitioners. On April 3, 1963, we became National Society Southern Dames of America, Incorporated, State of Georgia, County of Clayton. The first Proposed Bylaws were approved on April 22, 1963, at a Trustees Meeting. In a letter dated April 23, 1963, to Ben W. Fortson, Georgia Secretary of State, and signed by Mrs. Lee H. Lyle, Mrs. Lyle enclosed a check for \$1.00 for "fee for first registration of NSSDA, as specified on enclosed form F-38."

FIRST ASSEMBLY

Atlanta, Georgia ~ June 3-6, 1963

The First Assembly was held in Atlanta, Georgia at the Biltmore Hotel, June 3-6, 1963, with one-hundred members attending. Hotel rates were \$6.50 for single and \$11.00 for double. Mrs. Lee H. Lyle of Georgia served as National President. Mrs. Murray Forbes Wittichen (Kathryn Slaughter) was recognized as Honorary National President & Founder. Other officers included: Mrs. Henry Frost Chadeayne, National Vice President-at-Large; Mrs. Allen D. O'Brien, Secretary; Mrs. Richard B. Redwood, Treasurer; Mrs. Thomas W. Huey, Historian; and Mrs. George T. Winn, Chaplain. Dedication ceremonies were held in the Chapel of St. Marks Methodist Church on Peachtree Street on Sunday, June 2nd where an eloquent address was given by Mrs. Murray Forbes Wittichen. The Dedication of Southern Flags was held June 3rd on the

top of Stone Mountain, the world's largest piece of granite in Stone Mountain, Georgia, and was conducted by the National Vice President of States. Jefferson Davis was remembered on the occasion of his birthday. \$1,900.00 in donations was given. "This is My Country" was sung by Samuel Scarborough, accompanied by accordion. Speakers included Samuel J.T. Moore, Jr., distinguished lawyer of Richmond, Virginia; Marvin Griffin, Ex-Governor of Georgia; Dr. Noah Langdale, former President of Georgia State College; and Mrs. Bruce (Nancy) Schaefer, Director Georgia Department of Family & Children's Services, who emphasized the important role of women in shaping of America's history. After the Dedication, a tea hosted by the Stone Mountain Memorial Association was held at the Plantation House. The "Rise & Shine Breakfast" cost \$1.50; luncheon cost \$2.20, and dinner cost \$3.75, total \$7.45, tax and tip included. At breakfast, members were urged to alert themselves to the dangers in the Federal Government trend toward absolutism, as in the Supreme Court decision on school prayer. Mrs. Lyle warned of the Federal Government expanding into subject matter which can best be done by the states. The inevitable result will be deterioration of government in those areas which are exclusively Federal in their nature. Much was accomplished at this first Assembly. Ladies from each state gave suggestions for rules and procedures. We would have one meeting per year and two board meetings. Entrance fee would be \$25.00 with yearly dues of \$10.00. A committee was organized to work on the application form and coat of arms. An eye bank committee was organized and formulated procedures for members to donate or will their eyes. A membership committee resolved that membership would be "by invitation only" to those properly sponsored, of high caliber, aristocratic, and worthy dames of the South. The object was established that the society would bring into communication ladies of Southern ancestry in order that they may compare interests and methods of work and thereby become mutually helpful. The aim shall be benevolent, social, literary, artistic, cultural, and intellectual. The society is not to commit itself to any diverting or divisible entanglement through connection with other organizations. Bylaws were presented and adopted. Colors were established as Gold and white. The banner was formulated as having two end stripes of gold and a sketch of the Southern States outlined in blue with gold stitching on a background of white with the name lettered in the same. "This is My Country" was established as our song and members were encouraged to learn. The Coat of Arms would be a beautiful shield with appropriate wording. Certificates would bear coat of arms and member number. The flag salute was written: "I salute the flags of the Southern States of America, the emblems of their freedom and sovereignty." Eye Bank Program brochures were designed. A Memorial Book will be maintained whereby will be inscribed names of those whom we memorialize. Proposal to furnish a room in the Memorial Building at Stone Mountain as a chapel was enthusiastically accepted, details of which will be worked out by committee chaired by Mrs. Wittichen. New officers were installed by Mrs. Wittichen. The invitation to the Second Assembly was given by Tennessee and DC dames, with the possibility of Maryland and Virginia dames joining as hostesses.

The post-Assembly group of thirty traveled to Warm Springs, Georgia, and the *Little White House*, the Georgia home of the late President of the United States Franklin D. Roosevelt. A luncheon followed at Ida Cason Callaway Gardens.
